EXTENSION OF DATE FOR FULFILMENT OF OUTSTANDING CONDITIONS PRECEDENT TO THE TRANSACTION

Unless otherwise indicated, capitalised words and terms contained in this announcement shall bear the same meanings ascribed thereto in the Distell Group Holdings Limited Prospectus distributed on Wednesday, 20 September 2017.

On Monday, 29 January 2018, Distell and Capevin issued a joint announcement in relation to the extension of the date for fulfilment or waiver, as the case may be, of the outstanding Conditions Precedent to the Transaction.

The Transaction is subject, *inter alia*, to approvals being obtained from the relevant competition authorities in a number of jurisdictions. The process to obtain these consents from the relevant competition authorities is still ongoing and is taking longer than originally anticipated.

Accordingly, DGHL, Distell and Capevin have agreed to extend the date for fulfilment or waiver, if applicable, of all the outstanding Conditions Precedent, from Friday, 6 April 2018, to Thursday, 31 May 2018.

A detailed timetable will be released as part of the finalisation announcement once all Conditions Precedent have been fulfilled or waived, if applicable.
